Dear Public Official:

Pursuant to the Indiana Access to Public Records Act (APRA), Ind. Code § 5-14-3-1 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within seven days:

All final assessments, reports, analyses, recommendations, medical research, implementation directives, or guidance created by or otherwise possessed by your office regarding gender-affirming care—including but not limited to gender transition procedures, therapies, or related medical care—for individuals under the age of 18, including, but not limited to, records related to the letters sent by Attorney General Rokita to medical facilities on March 6, 2023, inquiring about gender-affirming care procedures.¹

Please provide all responsive records from January 1, 2023, through the date the search is conducted.

Pursuant to Ind. Code § 5-14-3-8(b), American Oversight asks that no fees be charged in connection with searching for or reviewing potentially responsive records. To the extent your office anticipates charging any copying fees for this request in excess of \$100, please notify us prior to incurring such fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.²
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.³ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more
