**Re: Public Records Act Request**

Dear Director Rehbein:

Pursuant to the North Carolina Public Records Act, as codified at North Carolina General Statutes ch. 132, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Office of the Lieutenant Governor produce the following records as promptly as possible:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) and text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook messages, WhatsApp, Signal, Telegram, or Parler) sent or received by Lieutenant Governor Mark Robinson, or anyone communicating on his behalf—such as a chief of staff, scheduler, or assistant—regarding the Conservative Political Action Conference (CPAC) and/or Lieutenant Governor Robinson's trip to National Harbor, Maryland, on or around February 21-24, 2024. **For part one of this request, please provide all responsive records from February 1, 2024, through March 1, 2024.**
2. All email communications (including emails, email attachments, complete email chains, and calendar invitations) sent by Lieutenant Governor Robinson from February 21, 2024, through February 24, 2024.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited part two of this request to emails sent by Lieutenant Governor Robinson. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means that both Lieutenant Governor Robinson's response during the specified time frame and the initial received message are responsive to this request and should be produced.

3. All text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook messages, WhatsApp, Signal, Telegram, or Parler) sent or received by Lieutenant Governor Robinson from February 21, 2024, through February 24, 2024.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Act.<sup>1</sup>
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more
